Your Organization's 2017-2018 Goals

Goals for 2017-18 year:

Achieve an official membership of 20+ members, at least half of which are non-Yale community members

Design and publish a website to promote the organization and (more importantly) share the group's expertise and experiences

Hold four major community events on Dwight Street (two per semester), inviting members of both the Yale and New Haven communities to meet and share stories

Begin advocating for tighter motoring regulations in New Haven residential areas

If your organization wishes to include "Yale" in its name, you must reapply to use the Yale name every year. Would you like to reapply to use the Yale name in your organization's title this year?

Please note that only approved uses of the Yale name are allowed on all merchandise, including t-shirts, as well as on publications and online presence. For more on the guidelines associated with using the Yale name, visit: <http://licensing.yale.edu/gui...>

If your organization's name does not currently include "Yale," but you would like to change your group's official name, please visit: <https://orgsync.com/152522/fo...>

My organization's title does not include the Yale name.

Upload Organization Marks

Yale must approve all uses of the Yale name and/or logos in affiliation with a student organization prior to use by that student organization.

If your organization has any marks, such as a logo, and they will be used on merchandise, brochures, and/or websites during this academic year, please upload a PDF with all related marks.
